\*\*\*\* Please select preferred time to join

Dr.Ghoraba will try to fit your fellowship in preferred time in case there is availability. If not, we will try to offer alternative dates.

Dr.Ghoraba offers an opportunity of several types of fellowships & clinical instructorships in Plastic Surgery & Cosmetic Medicine after a selection criteria & match.

Ideal Candidates Resident or Specialist in Plastic, ENT or Dermatology, Maxillofacial

Advantages of Fellowship Program: Get access to learn facial plastic surgery, facial reconstructive surgery, rhinoplasty, Breast surgery, body contouring, injections and fractional laser CO2.

Not like other surgeons who focus on one area, Dr.Ghoraba's expertise and knowledge plastic surgery is comprehensive and will enrich your vision and experience in both face and body aesthetic surgery. Also being an international key opinion and invited to many conferences, he has access to many renowned surgeons, who can benefit your international connections & participation in conferences. Many opportunities to learn from basic to advance.

Acceptance of Fellowship Program: The committee will review your application.

If accepted, Dr. Ghoraba will send an invitation letter to apply for your VISA through your embassy. (Dr.Ghoraba does not handle any visa papers or any type of papers required).

Fellowship Location

- Ghoraba Clinic (Cairo) (Monday, Wednesday) Abbas Elakkad Street, Nasr City, Cairo Egypt

Monday, Tuesday and Thursday are days of performing surgeries.
